

*Trillium Health Partners (THP) is one of the largest community-based acute care facilities in Canada. Comprised of the Credit Valley Hospital, the Mississauga Hospital and the Queensway Health Centre, Trillium Health Partners serves the growing and diverse populations of Mississauga, West Toronto and surrounding communities and is a teaching hospital affiliated with the University of Toronto.*

## Registered Nurse – Oncology Clinic (Part Time)

Monday-Friday, 8am-5pm, 8-hour shifts  
Queensway Health Centre (QEW&427)

### A New Kind of Health Care for a Healthier Community

THP provides world-class cancer care and treatment across its three hospital sites. Housing both The Betty Wallace Women's Health Centre and The Betty and Buster Lockwood Cancer Detection and Treatment Centre, oncology services at Queensway Health Centre include screening, detection and treatment. If you are passionate about what you do, motivated to improve the health of the community, and committed to excellence, quality and patient safety we would like you to join our Better Together team!

Reporting to the Clinical Manager, you will participate in the multidisciplinary management of oncology patients in an ambulatory setting including systemic therapy (specifically chemotherapy administration), supportive care and physician visits. You will provide high-quality patient and family centred care throughout the cancer continuum encompassing the physical, psychosocial, spiritual and educational needs of patients.

#### Qualifications:

- Current registration with the College of Nurses of Ontario
- BCLS
- Chemotherapy Administration Certification
- 1 year of recent oncology nursing experience
